

## CITY OF SOUTH SALT LAKE UTILITIES

### Additional Automated Refuse Container Rental Agreement

I/we hereby agree to rent an automated refuse pickup container from the City of South Salt Lake (hereinafter "City") on the following terms and conditions:

1. I/we agree City will provide an additional automatic pickup refuse container without an initial deposit and I/we will rent the same for an initial period of one (1) year on a monthly basis at the rate established by the City. The monthly charges will be billed twice yearly and I/we agree to pay the rental and pickup charges as billed. In the event I/we fail to pay the charges as billed, City will repossess the container, which at all times shall remain the property of the City. I/we understand that this Agreement may be terminated after the initial period upon written notification to City.
2. If the container is lost, stolen or damaged, I/we agree to reimburse the City the sum of \$65.00 to replace the container, all without regard to fault or liability for the loss, theft or damage. In other words, I/we agree to be strictly liable for the replacement cost of the container in the event of loss, theft or harm. "Harm" means any damage not arising from normal wear and tear. Any harm from refuse collector shall be the responsibility of City and/or its refuse contractor to repair or replace the refuse container.
3. I/we agree to place the container with the handle facing away from the street. The container will be placed within two (2) feet of the curb. Alley pickups shall be placed in the alley at least one (1) foot from obstructions.
4. During collection hours, I/we agree not to park vehicles on the street near container.
5. I/we agree to use the container for usual refuse only, such as paper, cans and normal household trash, flattened cardboard boxes, grass, leaves and small yard trimmings. Wet garbage, grass and trimmings will be placed in a plastic bag whenever practical.
6. I/we will not use the container for anything that will not allow the lid to close, or for tree limbs and trimmings over four (4) feet in length or four (4) inches in diameter, flammable items, hot ashes, unbagged animal waste, paint, tires, chemicals, concrete, dirt, plaster or other construction or demolition debris.
7. I/we agree to pay reasonable attorney's fees and court costs in the event City is required to enforce this agreement through the legal process.
