PHYSICAL DEMANDS/WORK ENVIRONMENT

The physical demands and work environment characteristics described here are representative of those that must be met or will be encountered by an employee while successfully performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is frequently required to walk, sit, talk or hear. The employee is occasionally required to climb or balance, stoop, kneel, crouch, or crawl. The employee must occasionally lift and/or move up to 50 pounds. Specific vision abilities required by this job include close vision, color vision, and the ability to adjust focus.

The noise level in the work environment is usually quiet while in the office, and moderately loud when in the field. Unconventional working hours may be required, including evening and overnight work during in- and out-of-state meets (center-specific).

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of the specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position. The job description is subject to change by the employer as the needs of the employer and requirements of the job change.
