

# \$50,000 REWARD

## Do you know my killer?

### On Tuesday, November 30, 2010

at 1:43 PM, South Salt Lake Police were dispatched to B&W Billiards & Books (3466 S 700 E) on a stabbing. Upon arriving, police discovered a 64-year old woman lying on the floor of the bookstore with an obvious stab wound. The victim, **Sherry Black**, had been brutally beaten and stabbed to death.

Police were able to recover suspect DNA from the crime scene. The suspect is **MALE** and was likely injured on his hand during the attack. Detectives have invested countless hours in this investigation, and at this time we have not yet identified a suspect or determined a motive.

#### Location:

Victim's Business  
3466 S. 700 E.

#### Evidence:

Armani Exchange  
men's belt approx.  
36-38" — "323" on  
back of buckle

A unique "A/X" (Armani Exchange) men's belt was recovered in the proximity of the victim. The waist measurement of the person that wore this belt is approximately 36 - 38 inches. This belt has no direct ties to the Black family and we believe the belt was left at the crime scene by the suspect.

We are asking the community to look at this evidence closely to help us determine who it may have belonged to. **We want to hear from anyone** who has seen this belt or anyone who can recognize the markings on the back of the belt buckle. The markings on the back of the buckle are "323". This number might be an item or inventory number from a clothing store or thrift shop.

There is a reward being offered for information leading to the arrest and successful prosecution of the suspect in this case. Anyone that has information that may be helpful for this case:
